

Our church is a faithful supporter of many missionaries serving domestically and overseas. Each missionary has a personal connection with someone in the Christ Chapel family. From working with underprivileged children in San Antonio, pregnancy resources in the Texas Hill Country, to working with teenagers in Texas and Florida, our church gives a percentage of our offerings to support the important work of winning others to Christ. We may not be able to go ourselves, but we can support those who are the hands and feet of Jesus in Mexico, Turkey, Indonesia, Russia and Scotland.
