

Christ Chapel of Bandera Children's Programs

Utilizing various curriculum, Christ Chapel strives to provide educational opportunities for children of our members and visitors.

Sunday Morning Bible Study begins at 9:00 am. Utilizing the *Foundations* curriculum, children in 1st through 12th grade are in the O&E building (located behind the sanctuary). Nursery to Kindergarten meet in the Conference Room off the foyer of the sanctuary. **Worship Service** begins at 10:00 am with everyone gathering in the sanctuary for announcements and song service. Before our pastor brings the message, children ages birth to kindergarten go with Kim Smith to the foyer. While children in grades 1st through 5th go with the volunteer teacher of the week. See pictures below for older children's teachers. These classes will be held in the O&E building (located behind the sanctuary).
